

Curriculum Vitae 2017

Mr. Griffiths serves as Ivy Group Consultants’ Roofing, Waterproofing and Coatings Consultant. His career since 1997 has been focused in the construction and **Construction Products Industries** and brings a wide range of talents and skills to the firm. His abilities include hands-on construction management (budgets, purchasing etc.), Design Consultation, Project Management, developing **Building Envelope Specifications**, and **Water Intrusion Investigation**. Mr. Griffiths’ experience in the industry with The Sherwin Williams Co. and Restocon Corporation makes him a unique and valuable asset to Ivy Group Consultants, Inc. Mr. Griffiths also sits on the Board of Directors for the **Tampa Bay Building Enclosure Council** and is also it's Program Director.
